

Dear North Hills Business Community,

We're happy to
announce the formation
of the North Hills
Community Association!

Our new 501(c)(3) charitable organization and its members are committed to working together to help maintain our neighborhood as a beautiful place to live, a safe place to raise a family, and a profitable place for businesses to flourish.

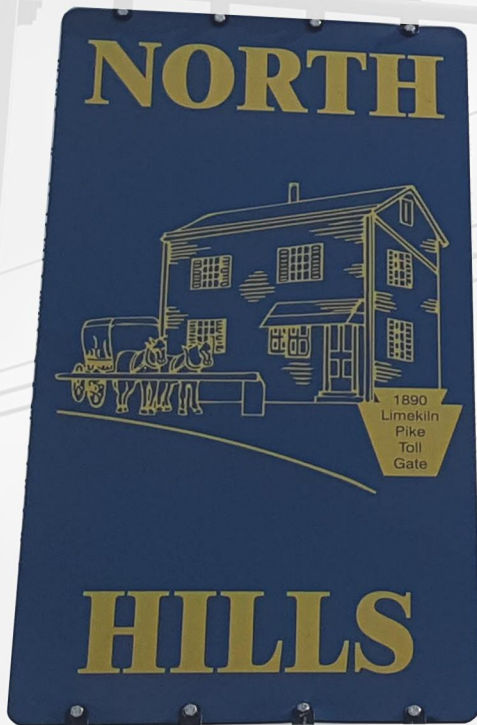

As we develop our path forward, our goals include increasing the safety of our walkable corridors, enhancing the aesthetic beauty of our community, and making our business district a desirable destination.

NHCA is actively applying for grants to financially assist with various projects. We invite you to join our Association and share your thoughts on neighborhood development and beautification as we move forward.

Household Memberships: \$20

Business Memberships: \$100

Memberships and donations are tax-deductible.
