

Dear Members of the Board,

It is with a full heart and after considerable reflection that I submit my resignation as Superintendent of the Cheltenham School District, effective immediately.

Serving this district has been one of the greatest privileges of my life. As a graduate of Cheltenham High School, this role has never simply been a job to me, it has been a calling rooted in gratitude for the education and community that shaped who I am. To have had the opportunity to lead the district that first opened doors for me has meant more than words can fully express.

This year has tested our community in ways none of us anticipated. I have thought long and hard about what is best, not for me, but for the students, staff, and families who depend on strong, trusted leadership. I have come to believe that the district is best served by a fresh start under new leadership, and that stepping aside now is the right and necessary step to allow Cheltenham to move forward.

I want to thank the Board, the faculty and staff, and this community for the trust placed in me throughout my tenure. I am deeply proud of the work we accomplished together, and I remain hopeful for Cheltenham's continued success. This district, and this community, will always hold a special place in my heart.

Thank you for the opportunity to serve.

Sincerely,

Dr. Brian Scriven
