Dear Resident,

In recent months, the Borough of Hatboro has received concerns regarding on-street parking in numerous areas of the Borough. These concerns have originated from residents throughout the Borough, Emergency Personnel, Borough Staff, and mail carriers. The Borough's Parking Commission has been actively reviewing these concerns regarding on street parking and has determined that parking on narrower streets in the Borough, including the street where you reside, potentially poses concerns for emergency access.

As noted above, Borough Council has been working with staff, the Borough's Parking Commission, and emergency services to evaluate all streets in the Borough based on the length, width, and parking restrictions (or lack thereof) with smaller streets currently being prioritized. After careful review of all streets in the Borough, the Borough is considering changing regulations on the following streets to limit parking to one side:

- Broad Street
- South Linden
- Loller Road
- Moreboro Road
- Manor Road
- Oakdale Avenue
- Warren Road
- Wilson Road
- Wood Street
- Intersection of Lancaster/Meadowbrook /Windsor
- Pershing Avenue
- Rorer Avenue
- 300 Block N. Penn Street
- Park Avenue
- Drexel Road
- Springdale Avenue between Tanner and Summit

The Borough is holding a town hall on Monday, September 14, 2026 at 7:00 PM to allow residents to discuss the proposed parking changes, provide feedback, propose additional changes, etc. This town hall will be taking place at Borough Hall, 414 S. York Road, Hatboro, PA 19040.

All residents of the impacted streets as well as any other street within the Borough are welcome to attend this town hall.

Please note that any changes to on-street parking in the Borough require a change in the ordinance for enforcement purposes. Because ordinance changes are time consuming and costly, we want to make sure we evaluate all the streets and make the change at one time to save the taxpayers money. No formal decisions will take place at this town hall and any proposed amendments will require discussion and approval by Borough Council prior to any regulations taking effect.

If you have any questions about this notice, parking, concerns about which side of the street will be considered or anything else please do not hesitate to reach out to my offices directly. I can be reached by calling Borough Hall at 215-443-9100, emailing me at dhegele@myhatboro.org, or stopping by in person at Borough Hall, 414 S. York Road, Hatboro, PA 19040.

You can always contact any of your elected officials listed on the top of this letter. Email addresses and information on how to schedule in-person meetings can be found on the Borough's website at www.myhatboro.org.

We hope to see you in attendance on September 14th.

Sincerely,

Diane C. Hegele
